Topic: Battery Charger Repair

PLP Battery Supply, a family owned and operated company, is located in Murphysboro, Illinois. PLP has been in business since 1982, they specialize in battery sales for everything from a watch to batteries for airplanes. PLP is an authorized sales and repair center for many battery charger manufacturers such as Associated, Century/Solar, Japlar/Schauer and RN chargers. They stock and sell parts for many other charger manufacturers, like Lester, EZ-GO Textron, and Powerwise. They also specialize in repair of obsolete brands of chargers. Owner Pete Polete explains that many of his best customers are starter and alternator shops throughout the US and Canada.

Murl Reiman started his career at PLP 20 years ago, delivering batteries on a regular route. He has worked his way up the ladder and is now one of a team of repair specialists employed at PLP. He has hands-on experience working with all types of chargers and has become a seasoned veteran in this specialty field.

Murl is married and has two daughters. On his days off, he enjoys hunting and fishing in southern Illinois.
