Spring All New Review

■ New from **REGITAR-USA,** TB-ND097 terminal connection block on 2001 to 2006 Chrysler Town and Country and Dodge Caravan. For Denso 421000-0222, 421000-0223, 421000-0225, as Lester sales 13871. Call (877) 734-4827 or visit regitar.com for more information.

■ New from **Tri-Star Enterprises** (formerly ACE Louisville/ACE Detroit)—Our Web site now features quantity available at order entry! Look up parts and complete units by application, interchange by any supplier parts or unit numbers and bill of materials by unit number. Call (800) 669-4223 for user name and password.

■ **ZEN S.A.** (Brazil) introduces new clutch pulleys: No. 5501 fits Lester reference unit 23839. Koyo pulley WCPN36RC4X, Ford Focus. No. 5515 fits Lester reference units 11041 and 11130. Bosch pulley F00M 991 105, Porsche Boxster, Carrera and 911. No. 5516 fits Lester reference unit 13845. Nippondenso pulley 021040-0970, Volvo S40 and V40. Contact your distributor, William Avancini (zen.william@ontinsa.com), or Tom Roman (zen.tom@ontinsa.com).

■ **Vensel Enterprises** announces two new field coil expanders. Use our new expanders to get the field coil and pole pieces tight up against the case before tightening the screws. C508-2622 fits 1 1/2" to 2 1/2" coils and C508-2624 fits 2 2/8" to 3 1/2" coils. Contact us at (800) 662-6099 or vensel7@comcast.net and check out our Web site, venselenterprises.com.

■ **Wilson Auto Electric** has launched a new Web site, wilsonautoelectric.com, in order to better serve both prospective and current customers. The new site contains information on applications, technical bulletins, images, marketing material and an electronic catalog, and is also designed to provide installers with technical and installation information.

■ Now available from **ACCUMAX Auto Parts,** solenoid 10-DE244 and drive 11-DE384 for Lester 6744. Fits Kohler engine equipped utility and lawn equipment. For more information call (417) 624-8886 or visit accumaxparts.com.

■ **Unlimited Packaging & Supplies, Inc.** announces an upgrade to our "Silver" box line. We have increased the sizes of the domestic alternator and starter boxes and added an import starter size to accommodate a larger variety of parts. Free samples available. Visit us at our new location: 8675 Rochester Ave., Unit A, Rancho Cucamonga, CA, 91730, or call (877) 307-8767.

■ **Romaine Electric** has redesigned an OE solenoid contact flaw in the DENSO P5000 solenoid. The P5000 is now available with 20 percent more contact surface area for positive contact every time. For more information call (800) 426-5005, e-mail nickstaub@romaineelectric.com or visit our Web site at romaineelectric.com.

■ **TSA** has announced the availability of the following: TSA no. 8634N/OEM no. 8SC3018VA. Specs: 24V, 150A for $329.95 each. This 24-volt alternator fits buses and other "batteryless" applications. It powers bus A/C units with 12V electrical systems. This is a hard one to find! Call (866) 872-0101.

■ **Dixie Electric** invites you to check out our new Web site at dixie-electric.com. Enjoy the ride as you explore our new electronic catalog. Search for applications, units, and components for automotive, medium-HD trucks, marine, off-road, locomotive, small engines, and more. Big and small... we've got them all!

■ **Lester Catalog** announces the release of Kwikfinder version 21.0 on DVD. Thanks to a new streamlined search function, Kwikfinder brings you the information you need faster than before. Features 118,392 applications, 36,344 pictures, and 683,491 interchanges. Call or visit us online for more information: lestercatalog.com, (530) 823-0963.

■ **J&N** has added a line of high quality hand tools. The tools have been personally tested and hold up to the high standard of rebuilders. Try out a new socket set or pulley remover from Unior and see why our rebuilders won't use anything else. Call (800) 366-7100.

■ **Wagner Alternators and Supplies** introduces W062-43N—Valeo rectifier frame assembly, fits SG12B021, SG12B022, SG12B023, SG12B024, SG12B028, SG12B060..., Lester no. 11066, 11123, 11395, 12424, 13928, 13990..., for Audi, Chrysler, Land Rover, dim: 145mm OD, 8mm B+ post, 6-50A 23V avalanche diodes, SRE frame complete with tolerance ring, OEM. Visit wagneralt.com or call (800) 345-5927.

■ **Holger Christiansen North America,** a Bosch Group company, announces Cargo part no. 113432 with everyday special pricing of $64.95. Delco 22SI replacement: 12V, 145/160 amp, with fan, without pulley, negative ground; 1-wire system; B+ 1/4"; integrated regulator. Call (800) 303-3170 or visit hcnk.com for more information.

■ Sure Power DC to DC to converters and equalizers are now available from **ASE Supply/Thermo By Products.** Made of aluminum casting (no potting) with splash and humidity pressure resistance improved. Improved efficiency from 93 to 94 percent. Current limit increased on all units. Mounting footprint unchanged from old part numbers. Call (503) 288-0100 or visit asesupply.com for more information.

■ Now available from **Litens Aftermarket Network** (Tendeco Sales, Inc.) a new Honda overrunning alternator decoupler (PN 920993) for 2011 model years including: Accord 3.5L, Pilot 3.5L, Crosstour 3.5L, and Odyssey 3.5L. For more information visit decouplerpulley.com.

■ Due to customer demand, **Electric Motor Service** is now producing part no. 7610-135 DE housing Motorola 2" foot. Replaces discontinued Prestolite 114-221. Special introductory price $12.95. Call (800) 697-6070 for more information.

■ **Dubois** is expanding our clutch pulley inventory in OEM and aftermarket products. We just added four new Litens pulleys for late model Audi and Toyotas. We have more than 80 part numbers from OEM suppliers, Litens and INA, as well as aftermarket pulleys from ZEN. Visit duboismarketing.com or call (800) 253-5654.

■ **Metro Auto Industrial** has added brush holder repair pin kit (Metro no. 69-85101) for Mitsuba PMGR SM612 series starter. These Mitsuba starters fit on all Acura and Honda cars which are a popular unit on the market now. For more information, call (800) 263-8761 or contact any or our sales reps.
