IMPORTANT
READ ME FIRST!

Thanks for being part of the **Re-View** ERA Technical Training Team.
With your help, we can create a library of training videos to share your rebuilding techniques and experience with many other ERA members.

This box contains almost everything you need to shoot your videos.
You will find inside:

- A plastic case containing:
  - the video camera
  - 2 memory cards (one is in the camera)
  - a battery charger
- 1 piece of gray fabric to use as a backdrop
- 1 tripod (needs to be assembled)
- 1 prepaid, self-addressed return envelope for memory card

Please watch the online video tutorial which will show you how to assemble, set up and use the equipment. To view this, go to:
www.electricalrebuilders.org/re-view/videokit.php

For a more complete explanation of the camera and its features, the user's manual is available online at:
www.electricalrebuilders.org/re-view/cameramanual.php

Use this box to store all of the materials. Please use the same size Priority Mail box to return the camera. Boxes are available for free at any U.S. Post Office.

Camera Return Address:

Wes Grueninger
16930 W. Beloit Rd.
New Berlin, WI 53151

Thank you,
Wes Grueninger
ERA Web Site Director
