CONDIZIONI GENERALI DI VENDITA

SPEDIZIONI

La merce viaggia sempre a rischio e pericolo del committente anche se il trasporto è convenuto franco destino. Nell'eventualità che da parte del committente non sia stato specificatamente citato il mezzo o lo spedizioniere, la Soc. OREM declina ogni responsabilità, sia per la scelta dello stesso che per le tariffe applicate dai vettori e spedizionieri. Le spese di spedizione e di imballo sono sempre a carico del committente.

PAGAMENTI

I pagamenti devono essere effettuati direttamente dalla soc. OREM, nei modi e termini convenuti, trascorsi i quali, decorreranno gli interessi nella misura dei tassi bancari in vigore. Non si accettano arbitrarie decurtazioni sugli importi delle fatture. Il ritardo nel pagamento autorizza la sospensione e l'interruzione della fornitura in corso. La contestazione della merce fornita non sospende i termini di pagamento.

GARANZIA

La garanzia della produzione OREM, riconosciuta per difetti di materiali o difetto di lavorazione a seguito di suo controllo tecnico, è limitata esclusivamente alla riparazione o sostituzione dei pezzi dalla stessa costruiti e comunque per un periodo non superiore a sei mesi dalla spedizione del materiale.

Nessuna responsabilità per danni di qualsiasi natura che avessero luogo attraverso l'impiego dei suoi prodotti è assunta dalla Soc. OREM.

Il committente è tenuto a denunciare i difetti riscontrati entro sette giorni oltre i quali decade il diritto di garanzia.

In caso di manomissione da parte del Cliente del particolare ritenuto difettoso decade ogni diritto di garanzia.

RESI

I materiali resi alla Soc. OREM, per qualsiasi motivo ed a qualsiasi titolo, saranno accettati solamente se spediti in porto franco e dopo debita autorizzazione.

PREZZI

Qualora nel corso delle forniture si determinassero aumenti delle materie prime, manodopera od altri elementi di costo, la Soc. OREM si riserva la facoltà di apportare tutte quelle modifiche che si renderanno necessarie per adeguare le quotazioni alle date in cui tali aumenti si sono verificati, anche senza alcun preavviso.

RISERVA DI PROPRIETA'

I prodotti forniti ai clienti rimangono di proprietà della Soc. OREM anche dopo la loro consegna a destinazione e fino al completo pagamento delle relative fatture. Qualora si verificassero interruzioni dei pagamenti da parte del compratore, la Soc. OREM potrà rivalersi sul prodotto OREM esistente nel magazzino del cliente anche se relativo a forniture già pagate. In tal caso la Soc. OREM potrà rientrare in possesso dei prodotti forniti dietro sua semplice richiesta.

Fino al completo regolamento delle forniture effettuate, il compratore non può dare in pegno il materiale o trasferirne la proprietà a titolo di garanzia.

Inoltre il compratore deve avvisare immediatamente la Soc. OREM in caso di iniziative da parte di terzi creditori (sequestri conservativi ecc.) sui prodotti OREM oggetto della riserva di proprietà.

Qualsiasi controversia ricade sotto la competenza del foro di Bologna.

I NOMI ED I RIFERIMENTI DELLE CASE ORIGINALI IN QUESTO CATALOGO SONO MENZIONATI SOLAMENTE A SCOPO INDICATIVO.

SALES CONDITIONS

SHIPMENT

Goods are always dispatched at the buyer's risk, even if the agreed transport is <<free destination>>. If the buyer does not specify the mean of transport or the forwarding agent, the firm OREM declines any responsibility as to the choice of the same and to his fares. Shipment and packing costs are always at buyer's charge.

PAYMENTS

All the payments must be made directly to the firm OREM, according to the agreed way and at the established expiration. If the allowed payment terms are expired, all the amounts in arrears will be debited with the bank interest rate applied at that moment. Any arbitrary reduction is not accepted on the invoice amounts. Any delay on the payments will compel the firm OREM to suspend or to interrupt the outstanding consignment. Possible objections on the supplied goods don't suspend the established payment terms.

GUARANTEE

The guarantee of OREM production, acknowledged, after his technical checking, for defective materials or workmanship, is strictly limited to the repair or substitution of the pieces manufactured by the same providing they are returned within six months from the goods dispatch.

The firm OREM will not be in any way responsible for any damage or expenses occasioned by the supplied goods.

The buyer has to report the notice defects within seven days, after which any guarantee right will be lost.

The guarantee does not extend to any defect caused by misuse, accident or neglect from the buyer.

RETURNED PARTS

Parts returned to the firm OREM for any reason, will be only accepted if dispatched free of carriage and after his authorization.

PRICES

If any increase on raw materials, workmanship or other production costs should take place in the course of supplies, the firm OREM reserves the right to make all those modifications which shall be necessary to bring up to date the quotations on the ground of these market fluctuations, even without previous notice.

RESERVATION OF PROPERTY

The products supplied to the customers belong to the firm OREM also after the delivery to the destination and till the complete payment of the relative invoices. If there is an interruption of the payment of the buyer, the firm OREM can retaliate against the customer by taking back the OREM products existing in his warehouse, even if they are relative to the already paid consignments. In that case, the firm OREM can recover the supplied products against its mere request. Before the complete settlement of the consignment, the buyer cannot give the OREM products as a pawn or transfer their property as a guarantee and he has to inform the firm OREM immediately in case of initiatives towards him of possible subsequent creditors (sequestration etc.) on OREM products subject to the reservation of property.
