Introducing rebuilding's new

SPRING COLLECTION!

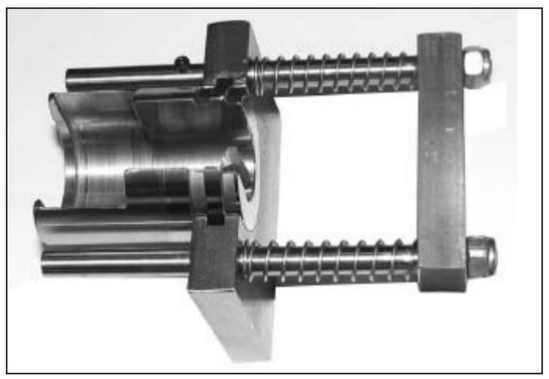

Spring All New Review

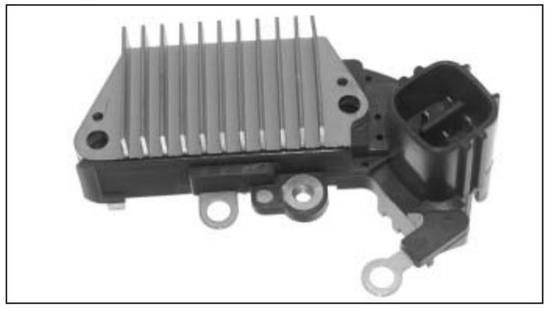

■ **IAT** is pleased to announce that we now carry starters and alternator for Kioti and Daedong applications including alternator E7230-64012, which fits most LK, CK and DK models up to 55. For more information please call (800) 872-8890 or email sales@iat-usa.com.

■ **Vensel Enterprises** announces new inserts for our M858-0100 bearing puller. This tool has now been expanded with inserts to cover 201, 202/24si, 203 and 6000 bearings. Contact us at (800) 662-6099 or vensel7@comcast.net, and check out our website, venselenterprises.com.

■ New from **REGITAR-USA**, regulator for Jaguar X Types, 2002 to 2008. REGITAR-USA no. VRH2005-40A, replaces 126000-3430, for Denso 102211-0860, 102211-0870, as Universal Lester Sales 13925, 13926. Call (334) 244-1885, email info@regitar.com, or visit regitar.com for more information.

■ **WAIglobal** announces the VRC2010 voltage regulator tester, capable of testing A and B type regulators, late style products with PCM, BSS, LIN and COM, "C", choke, dual stator functions. Rebuilder-friendly design with robust cabinet and short circuit protection. Call (484) 875-6600, email info@waiglobal.com, or visit waiglobal.com for more information.

■ **ACCUMAX** now features solenoid 10-HI839 for application: Hitachi starter no. S13-204 used on Yanmar. Reference numbers: Hitachi 2130-47009, 2130-57011; Yanmar 129900-77590, 129900-77591. For more information call (417) 624-8886, email rsullivan@accumaxparts.com, or visit accumaxparts.com.

■ **JIMCO** is pleased to announce an expansion of its line of "military proven" super duty test benches with two new models. Model TB1200, 30 horsepower, and model TB1500, 40 horsepower, are designed for high amp applications in the transit authority and emergency vehicle fields. Call (800) 821-7137 or email jimcoinc@aol.com.

■ **R & R Regulators** is releasing their 2012 catalog, with more descriptions, reference part numbers and pricing. R & R Regulators carries reclaimed and new regulators, rectifiers, rotors, stators, solenoids, and can source just about anything needed to rebuild alternators and starters. Call today to get a free catalog, (800) 433-6683.

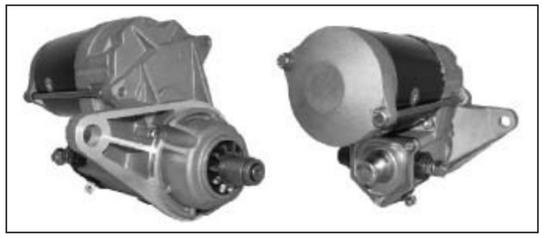

■ Now available from **Dixie Electric**, the DelStar 300 series alternator. With more than 260 amps of power at 2000 alternator rpm, it is ideal for the most demanding high output at engine idle applications. Call (763) 475-6629, email mn.sales@dixie-electric.com, or visit dixie-electric.com for more information.

■ **Just Parts, Inc.** now introduces the new made in USA 28MT 12v 3-terminal solenoid JP no. NK2-6020N-USA. High quality USA made product made with 200 degree wire, CDA 110 copper discs, and each solenoids is stamped OEM no., volt, and Made in USA. Call (815) 756-2184, email sassyw@justpartsinc.com, or visit justpartsinc.com.

■ **Metro Auto Industrial, Inc.** is glad to announce that we now carry the aftermarket new starter units for Chevy and Isuzu truck. They are Denso OSGR units to replace 228000-700 and 228000-818 series. For more information, contact Metro Auto at our toll-free number (800) 263-8761, email info@metroautoinc.com, or visit metroautoinc.com.

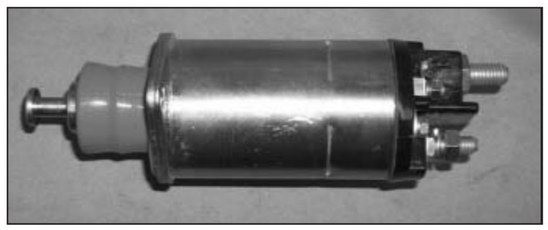

■ Now available to market, **Wagner** is proud to be the exclusive distributor of their W550-00—Bosch/Valeo regulator COM tester used for testing COM type regulators on Audi, BMW, Mercedes, Porsche, Rolls Royce and

VW applications. Works on traditional and DV testers. For more information go online, wagneralt.com, or call toll-free (800) 345-5927.

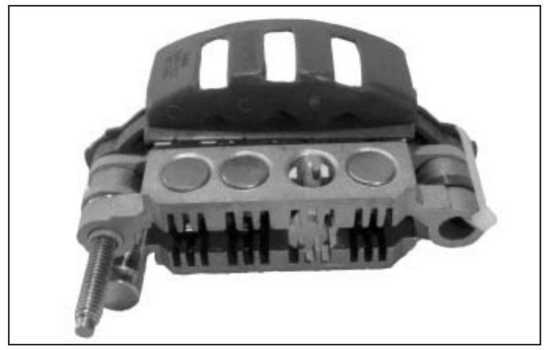

■ **ACCUMAX** announces the availability of 10-LN501 for HD trucks and school buses F600-F900 with Cummins 5.9L diesel. Replaces L1033, ref. no. 66-501, 245-16001. For more information call (417) 624-8886, email rsullivan@accumaxparts.com, or visit accumaxparts.com.

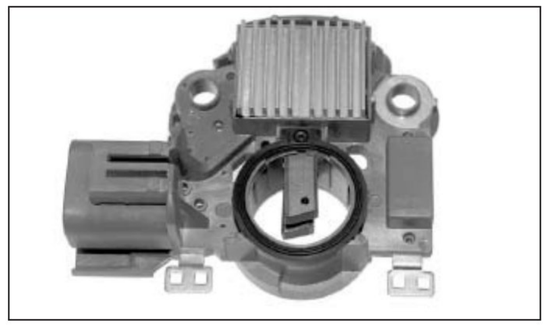

■ Now available from **Litens Aftermarket Network** (Tendeco Sales Inc.) a new Jeep/Dodge overrunning alternator decoupler (PN 920971) for 2011 and newer model years with 3.6L Phoenix and Pentastar with displacement on demand engines including: Grand Cherokee, Durango, Challenger, Charger, and Journey. For more information visit decoupler-pulley.com, phone (614) 734-8385 or email chuck.pullins@tendeco.com.

■ Introducing from **Rand Group, Inc.**, our new 7048-222 press-fit Mitsubishi rectifier. Contact Geoff at (866) 450-RAND(7263) or email geoff@randgroupinc.com for more information.

■ Regulator for Honda FIT, 2009 to 2010, now available from **REGITAR-USA**. REGITAR-USA no. VRH2009-139, for Mitsubishi A5TJ0091, as Universal Lester Sales 11410. Call (334) 244-1885, email info@regitar.com, or visit regitar.com for more information.

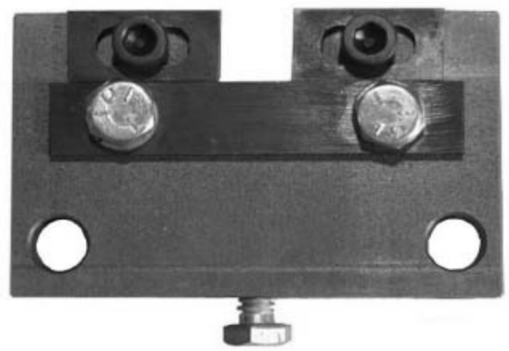

■ **IAT** is pleased to announce that we now carry a new hard to find INA alternator pulley for BMW applications. Pulley no. F236528 fits Lester 11077, 11300, 11301, 23253, 23254, 23257, and 23775. For more information please call (800) 872-8890 or email sales@iat-usa.com.

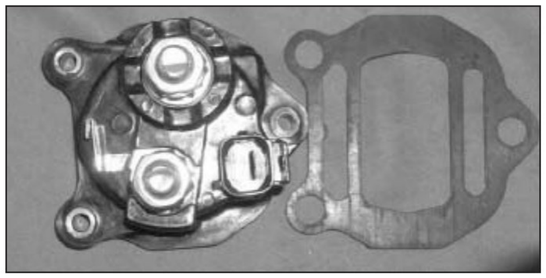

■ **J&N** has added hundreds of new electrical solutions products to their line. From connectors to cable to terminals to battery chargers, we have an outstanding selection of products at great prices. Jnelectric.com is now your source for electrical solutions product. Phone (800) 366-7100, visit jnelectric.com, or email info@jnelectric.com.

■ **Vensel Enterprises'** C758-0752 snap ring tool has been redesigned. It will work on shafts up to .850 dia. Many times the snap ring can be removed by holding the tool and shaft in your hands. Visit the new product section at venselenterprises.com and contact us at (800) 662-6099 or vensel7@comcast.net.

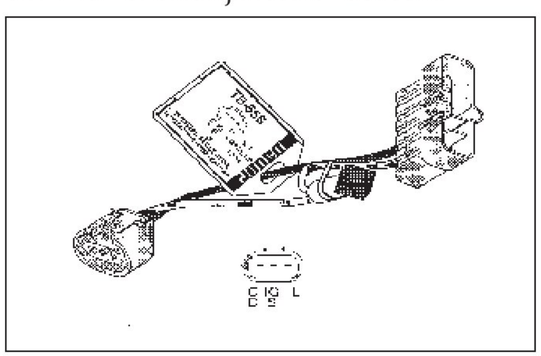

■ **ACCUMAX** currently has available the solenoid repair cap and contact for Lester 19029 for 2007 to 2008 Dodge Ram 5.9L, 6.7L diesel, PN no. 100-NDC19029 and 1014-NDW19029. For more information call (417) 624-8886, email rsullivan@accumaxparts.com, or visit accumaxparts.com.

■ Utilizing a Nippondenso hairpin design, the 7795HP delivers a maximum 240 amps with 170 amps at idle. The 7795HP, available from **Romaine Electric**, replaces both the Ford 3G\6Gs and Mitsubishi 11026. For more information call (800) 426-5005, email nickstaub@-romaine-electric.com or visit our website at romaine-electric.com.

■ **JIMCO** announces a new test lead for Japanese alternators with a three terminal oval plug. The TB55s can test Lester plug code 317 C, IG, L, plug code 318 D, G or IG, L, plug code 319 D, S, L and plug code 325 C, S, L. Call (800) 821-7137 or email jimcoinc@aol.com.

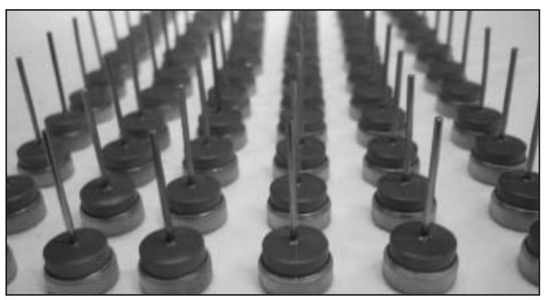

■ **Just Parts, Inc.** now introduces the new made in USA 28MT 12v 4-terminal solenoid JP no. NK2-6035N-USA. High quality USA made product made with 200 degree wire, CDA 110 copper discs, and each solenoid is stamped OEM no., volt, and Made in USA. Call (815) 756-2184, email sassyw@justpartsinc.com, or visit justpartsinc.com.

■ New to **Wagner's** line of quality solenoids, W455-122—Mitsubishi/Mando Solenoid for use on Hyundai and Kia applications. Fits on Lester no. 17763, 17764. OEM unit no. M62956, M62957. Dims: 8mm Posts, 1/4" "S" Spade 12V. For more information or VISIONS, our Bill of Material program, please go online to wagneralt.com or call toll-free (800) 345-5927.

■ Now available from **Rand Group, Inc.**, our Bosch Style Open Junction "Project X" diodes. Contact Geoff at (866) 450-RAND(7263) or email geoff@randgroupinc.com.

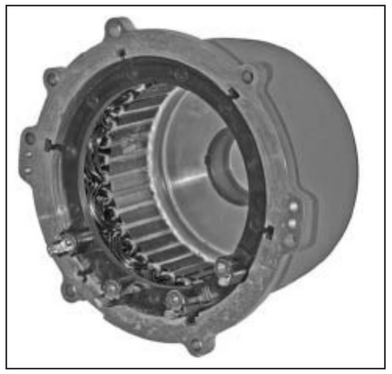

■ Now available from **Litens Aftermarket Network** (Tendeco Sales, Inc.) a new 2.7L Toyota Highlander overrunning alternator decoupler (PN 920907) for 2009 and newer model years. For more information visit decouplerpulley.com, phone (614) 734-8385 or email chuck.pullins@tendeco.com.

■ **Dixie Electric** is introducing the DelStar 200 series alternator. This 12V-350 amp air-cooled alternator has been engineered for reliability. Call (763) 475-6629, email mn.sales@dixie-electric.com, or visit dixie-electric.com for more information.

■ **IAT** now offers both original and aftermarket versions of the 13815 Bosch BMW water-cooled alternator. IAT also supplies a full line of replacement parts for the same unit. For more information please call (800) 872-8890 or email sales@iat-usa.com.

■ **J&N** now carries Hella products. The Hella product line has high quality lights, relays and switches for a wide variety of applications. Call a J&N representative today at (800) 366-7100 to learn more, or visit jnelectric.com.

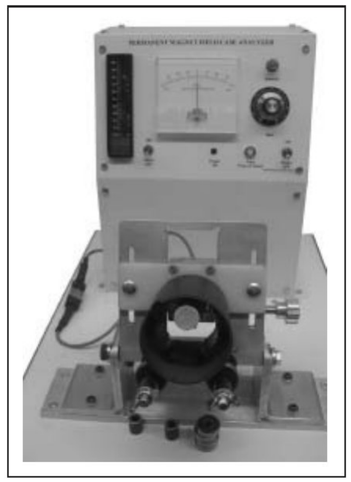

■ Finally a high output alternator with the most popular GM mounting configuration. The 8292HP utilizes a hairpin stator design to reach a 240 amp output rating with 170 amps at idle and is available from **Romaine Electric**. For more information call (800) 426-5005, email nickstaub@romaineelectric.com, or visit our website at www.romaineelectric.com.

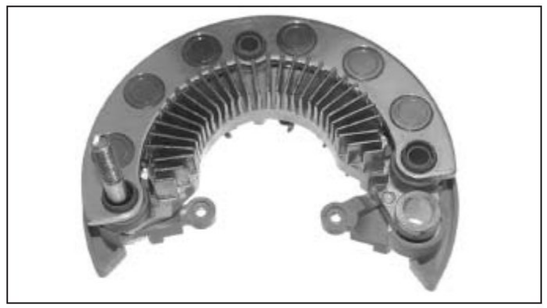

■ Now available from **WAIglobal**, the 13815N Bosch IR/LC water-cooled alternator, 150 amp/12 volt, CW, 7-groove pulley. Used on 2003 to 1999 BMW 540i 4.4L, 2001 to 1999 BMW 740i 4.4L, 2000 to 1999 BMW 750i 5.4L, 2004 to 2000 BMW X5 4.4L, and others. Call (484) 875-6600, email info@waiglobal.com, or visit waiglobal.com for more information.

■ **Vensel Enterprises** now has two new permanent magnet field case analyzers. These analyzers allow you to separate/grade field cases by strength, find magnets that are cracked, broken and in the wrong location and also give a color indication of polarity/strength and pass/fail. Contact Richard Vensel at (800) 662-6099 or vensel7@comcast.net.

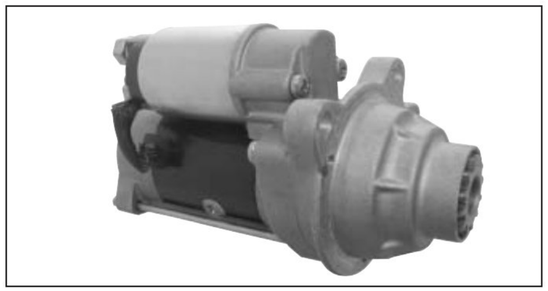

■ **REGITAR-USA** now features rectifier for Honda FIT, 2009 to 2010. REGITAR-USA no. RM-175, for Mitsubishi A5TJ0091, as Universal Lester Sales 11410. Call (334) 244-1885, email info@regitar.com, or visit regitar.com for more information.

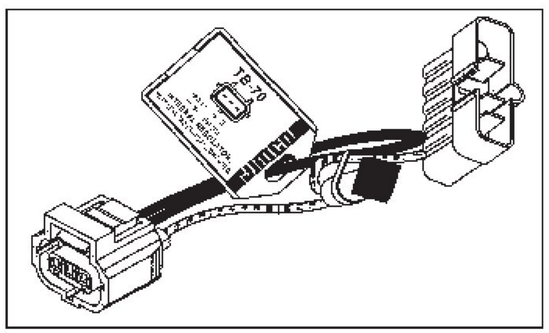

■ **WAIglobal** now offers the 6675N Ford OSGR starter, 12 volt, CW, 12-tooth pinion. Used on 2009 Ford E Series Van 6.0L and 2009 to 2008 Ford F Series Pickup 6.4L. Call

(484) 875-6600, email info@waiglobal.com, or visit waiglobal.com for more information.

■ **JIMCO** announces a new test lead for Ford Thunderbird 3.9L 2003 to 06 and Lincoln LS 3.9L 2003 to 06 Nippondenso alternators (Lester 13978) with a three terminal plug L, IG, S. No Lester plug code assigned at this time. For more information, call (800) 821-7137 or email jimcoinc@aol.com.

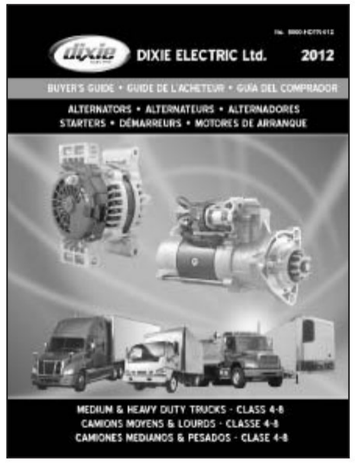

■ **Van Bergen & Greener Co.** is pleased to announce the Weldon 90 high performance motorcycle starter drive clutch, part no. HR-1 and HR-2, with 300 percent more bearing surface for greater torque distribution and durability. For more information call (708) 343-4700, email paul@starterdrives.com, or visit harleystarterdrives.com.

■ Now available from **Wagner**, W165-11—Nippondenso internal fan hairpin slip ring for Acura, Buick, Cadillac, Chevrolet, Chrysler, Dodge, Ford and GMC. Fits on Lester 11000, 11003, 11030, 11033, 11034, 11035, 11037, 11038, 11039, 11040… For more information or VISIONS, our Bill of Material program, please visit wagneralt.com or call (800) 345-5927.

■ **Dixie Electric's** "2012 Medium & Heavy Duty Truck Buyers Guide," complete with a numerical listing, illustrated guide, buyer's guide, as well as a cross-reference, is now available. For your copy, call (763) 475-6629, email mn.sales@dixie-electric.com, or visit dixie-electric.com.

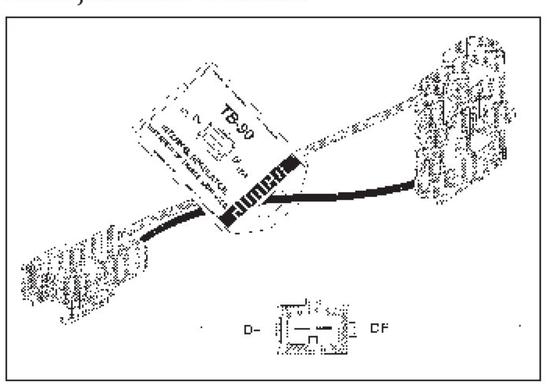

■ Rated at 170 amps at idle with 240 amp max output, the 8302HP utilizes both the most popular GM mounting scheme and Nippondenso hairpin design, but also incorporates a 2-pin RVC regulator. These are available now from **Romaine Electric**. For more information call (800) 426-5005, email nick-staub@romaineelectric.com or go online to romaine-electric.com.

■ **J&N** recently added OAD decoupler pulleys from Litens. Millions of alternators now require an overrunning alternator decoupler (OAD) rather than a conventional solid pulley or one-way clutch pulley. Make sure you get the right pulley for your alternator at J&N. Visit jnelectric.com or call (800) 366-7100.

■ **JIMCO** announces a new test lead for Europea alternators with a two terminal plug. The TB90 can test Lester plug code 336 D+, DF (dynamo field monitor). Built with an OEM connector housing for exact fit. For more information, call (800) 821-7137 or email jimcoinc@aol.com.
